to the Board of Directors of Bahrain Cinema Company B.S.C.**

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Bahrain Cinema Company B.S.C. ("the Company") and its subsidiary ("the Group") as at 30 June 2014, and the condensed consolidated interim statement of profit or loss, condensed consolidated interim statement of other comprehensive income, condensed consolidated interim statement of changes in shareholders' equity and the condensed interim consolidated statement of cash flow for the quarter and six months period then ended, and selected explanatory notes. The Company's Board of Directors is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34 - "Interim Financial Reporting". Our responsibility is to express a conclusion on this condensed interim consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, - "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information does not present fairly, in all material respects, the consolidated financial position of the Group as at 30 June 2014, and of its consolidated financial performance and its consolidated cash flows for the quarter and six months period ended in accordance with International Financial Reporting Standard IAS 34 - "Interim Financial Reporting".

The interim condensed consolidated financial information should be read in conjunction with the 2013 annual audited consolidated financial statements.

Improvements/amendments to IFRS 2011/2013 cycle

Improvements/amendments to IFRS issued in 2011/2013 cycle contained numerous amendments to IFRS that the IASB considers non-urgent but necessary. ‘Improvements to IFRS’ comprise amendments that result in accounting changes to presentation, recognition or measurement purposes, as well as terminology or editorial amendments related to a variety of individual IFRS standards. The amendments are effective for the Group’s consolidated financial statements beginning on or after 1 January 2014 with earlier adoption permitted. No material changes to accounting policies are expected as a result of these amendments except for IFRS 9 Financial Instruments which was early adopted by the Group from 1 January 2014.

Standards, amendments and interpretations issued and effective in 2014 but not relevant

The following new standards, amendments to existing standards and interpretations to published standards are mandatory for accounting periods beginning on or after 1 January 2014 or subsequent periods, but are not relevant to the Group’s operations:

<u>Standard or Interpretation</u>	<u>Title</u>	<u>Effective for annual periods beginning on or after</u>
IAS 27	Separate Financial Statements	1 January 2014
IFRIC 21	Levies	1 January 2014

2 Basis of preparation (continued)

Standards, amendments and interpretations issued but not yet effective in 2014

The following IFRS and IFRIC interpretations issued/revised as at 1 January 2014 or subsequent periods have not been early adopted by the Group's management:

<u>Standard or Interpretation</u>	<u>Title</u>	<u>Effective for annual periods beginning on or after</u>
IAS 16	Property, Plant and Equipment	1 July 2014
IAS 19	Employee Benefits	1 July 2014
IAS 24	Related Party Disclosures	1 July 2014
IAS 38	Intangible Assets	1 July 2014
IAS 40	Investment Property	1 July 2014
IFRS 1	First Time Adoption of International Financial Reporting Standards	1 July 2014
IFRS 2	Share Based Payment	1 July 2014
IFRS 3	Business Combinations	1 July 2014
IFRS 7	Financial Instruments - Disclosures	1 January 2015
IFRS 8	Operating Segments	1 July 2014
IFRS 13	Fair Value Measurement	1 July 2014
IFRS 14	Regulatory Deferral Accounts	1 January 2016

There would have been no change in the operational results of the Group for the period ended 30 June 2014 had the Group early adopted any of the above standards applicable to the Group.

Early adoption of amendments or standards in 2014

The Group did not early-adopt any new or amended standards in 2014 except for IFRS 9 Financial Instruments.

a) IFRS 9 - "Financial Instruments"

IFRS 9 supersedes IAS 39 Financial Instruments: Recognition and Measurement. As a result of early adoption, the Group has classified its financial assets as subsequently measured at either amortised cost or fair value depending on the entity's business model for managing the financial assets and the contractual cash flow characteristics of the financial assets. These changes have been applied prospectively as described below, from 1 January 2014.

In accordance with the transitional provisions of IFRS 9, the classification of the financial assets that the Group held at the date of initial application was based on the facts and circumstances of the business model in which the financial assets were held at that date. IFRS 9 requires entities with a date of initial application on or after 1 January 2013 to provide certain additional transitional disclosures (see Note 8) and there is no requirement to restate prior periods.

Group does not designate any financial liabilities as fair value through profit or loss and therefore, application of IFRS 9 does not impact the Group's accounting policies for financial liabilities as disclosed in the consolidated financial statements as at and for the year ended 31 December 2013.

2 Basis of preparation (continued)

a) IFRS 9 - "Financial Instruments"

However, as a result of early adoption of this standard, BD1,292,646 of investment fair value reserve was reclassified at 1 January 2014 from the investment fair value reserve to opening retained earnings, because equity investments initially classified as available for sale were reclassified to financial assets at fair value through profit or loss upon adoption of IFRS 9.
